Goa Human Rights Commission

Proceeding No. 156/2013

Suo Motu

v/s

1. State of Goa through the Chief Secretary,
Secretariat,
Porvorim-Goa.
2. The Director,
Directorate of Health Services,
Campal,
Panaji-Goa. ... Respondents

Report

We have gone through the news report which appeared in the daily "Herald" dated 02-08-2013 under the caption "**Margao's TB sanatorium has 3 drivers, but no ambulance**".

The Universal Declaration of Human Rights (1948) (UDHR) states that:

“Every citizen has the right to a standard of living adequate for the health and well-being of himself and of his family, including food, clothing, housing and medical care and necessary social services, and the right to security in the event of unemployment, sickness, disability, widowhood, old age or other lack of livelihood in circumstances beyond his control.”

The Supreme Court of India recognises health, as a fundamental human right under Article 21 of the Constitution of India. Thus, non-availability of adequate number of ambulances with the Directorate of Health Services to cater to the needs of the patients is bound to effect the health of the patients adversely thereby violating their basic human rights.

Therefore, taking *suo motu* cognizance of the matter, without going into the question of shortage of ambulances with the Directorate of Health Services, the Commission recommends that State of Goa through Chief Secretary and the Director of Health Services, Panaji may take immediate steps to acquire adequate number of ambulances to cater the basic needs of the patients to avoid hardships and inconvenience, in the event there is acute shortage of ambulances.

The Respondents shall submit their comments on the report including action taken or proposed to be taken on or before 12-11-2013 before this Commission.

Place the matter on Board on 12-11-2013 at 11.00 a.m.

Dated: 08-08-2013.

Place: Panaji-Goa.

Proceeding No. 24/2013

Inquiry Report

It came to the notice of this Commission that the private bus owners in the State of Goa do not provide for adequate reservation of seats for ladies causing thereby humiliation for women passengers travelling in public transport buses which has a tendency of violating basic human rights of women.

2. This Commission, therefore, taking *suo motu* cognizance of the matter directed to issue notices to (1) The President, All Goa Bus Owners Association (2) The Secretary (Transport), Secretariat, Porvorim-Goa and (3) The Director, Directorate of Transport, Panaji-Goa. In pursuance to the notices, the Respondents appeared before the Commission and filed their respective responses.

3. The General Secretary of All Goa Private Bus Owners Association filed reply on behalf of Respondent No. 1. In its reply, the Respondent No. 1 has stated that the Association has always worked for providing better facilities to the passengers who are travelling in their buses in the State of Goa. The Respondent No. 1 has blamed the Government for non-co-operation and for spoiling the name of the Association.

4. The Respondent Nos. 2 and 3 have stated that the Respondents have received several representations from the public as well as from the Goa State Commission for Women regarding the present scenario and more particularly regarding molestation, eve-teasing, outraging the modesty of women, specially girl students in public transport buses. It is further stated that taking cognizance of the complaints, the Government has increased the number of seats reserved for ladies from 4 to 8 seats in mini buses

and from 6 to 12 in big buses. It is further stated that the Respondent No. 3 has issued Memorandum dated 07-03-2013 to all the Private Bus Owners Association as well as to the Managing Director, Kadamba Transport Corporation Limited directing them to implement the decision of the State Transport Authority. They have further stated that the Respondent No. 3 has undertaken extensive enforcement drive in order to check public transport service vehicles with special emphasis of checking of reserved seats being occupied only by ladies. It is further stated that the Respondent No. 3 shall make all out efforts to make travel in public transport more safe, particularly to female commuters.

5. This Commission also felt it necessary to issue public advertisement eliciting suggestions from general public on matters relating to adequacy of reservation of seats for women passengers in public transport buses to prevent harassment and humiliation of women passengers and accordingly the Commission issued a Press Note through the Director, Information and Publicity, Panaji-Goa requesting general public to make their suggestions in writing relating to adequacy of reservation of seats for women passengers in public transport buses and for prevention of harassment and humiliation of women passengers. The Commission received suggestions from various individuals and organisations.

6. We have perused all the replies and suggestions of the various stakeholders. We have also heard Advocate Shri K. L. Bhagat who had appeared on behalf of the Secretary (Transport) and the Director Transport.

7. Needless to say that a large number of girls and women are travelling in public transport buses everyday along with male passengers. The women passengers are found generally complaining about sexual harassment and humiliation by few male passengers by taking advantage of overcrowding of passengers in the buses. A duty is cast on State Government to ensure safety of women passengers travelling in public transport buses. In fact, Government has made provisions for reservation of seats exclusively for ladies. In spite of reservation of seats, it is the grievance of the women passengers that either there are no adequate number of seats for ladies and or the seats which are reserved for ladies are occupied by male passengers who refuse to vacate the seats even though the ladies are entitled for seats reserved for them exclusively.

In the fact and circumstances of this case, we feel it necessary to make appropriate recommendations to the State Government in this regard. The Commission therefore makes the following recommendations:

1. Since the number of passengers including women passengers is increasing, the possibility of introducing more buses should be considered.
2. State Government may endeavour to provide buses exclusively for women during peak hours of the day.
3. The present system of reservation of seats for ladies should be strictly implemented by the Police and Transport Department.
4. The possibility of increasing the reserved seats for women and senior citizens should be considered.
5. The conductor of the buses should ensure that the seats reserved for ladies are not occupied by male passengers.
6. The conductors of the buses should wear prescribed uniform and should display photo identity cards.
7. Prompt action should be initiated by the police and the Transport Department in case of complaints by women passengers against the offenders.
8. Overcrowding in the buses should be avoided at any cost.
9. CCTV may be installed in the buses.
10. Women helpline numbers should be prominently displayed on the buses.
11. Stickers prepared by the Transport Department regarding the rights and duties of the passengers and telephone numbers should be displayed and the violations by operators should be viewed seriously.

A copy of this Inquiry Report shall be forwarded to the State of Goa through the Chief Secretary in terms of Section 18 (e) of the Protection of Human Rights Act, 1993.

Action taken or proposed to be taken by the State Government shall be communicated to this Commission on 14-11-2013.

Sub.: Action taken report in Proceeding No. 24/
/2013 dated 29-01-2014.

Sir,

With reference to the above, I am to inform you about the action taken on the recommendation made in the inquiry report in respect of subject mentioned Proceeding.

1. The efforts are made to introduce more passenger buses wherever possible having regards to the road condition and the capacity of the route to ensure that there is no traffic dislocation caused due to rise in vehicular traffic.
2. The Kadamba Transport Corporation Ltd. has already introduced ladies special buses during peak hour time.
3. The enforcement wings of the Transport Department is keeping a strict watch to ensure that the seats reserved for ladies are not occupied by male passengers.
4. Possibility of increasing reserve seat for ladies and senior citizen is being explored having regards to the fact that the traffic patterns is one way during the morning and evening peak hours, further action will be taken after proper evaluation.
5. As regular training programme is undertaken by Transport Department during Road Safety Week conducted twice a year to educate the staff of the operators in the discharge of their duties including the obligations to ensure that the reserve seats are occupied by eligible passengers.
6. The enforcement wings check for the uniform which the driver and the conductor are required to wear. Possibility of display of photo identity card will be explored for enforcement.
7. The Transport Department has devised various means to facilitate registration of complaints by passengers which include SMS Service. From action and disposal of the complaint is ensured within thirty days.

8. A constant check by the enforcement wings is being maintained to minimise the incident of overcrowding.
9. Public transport is managed by individual private operators and the Government own Kadamba Transport Corporation Ltd. Installation of CCTV Camera in the buses is not provided in the Central Motor Vehicles Rules, 1989 has standard equipments for public transport vehicles including buses. The Department will put up the matter to the Government.
10. The Helpline Numbers are already publicised for registration of complaint, and in addition SMS complaint service also has been given wide publicity through media.
11. Display of stickers indicating right and duties of the passengers and telephone number has also been introduced.

Yours faithfully,

Arun L. Desai,

Director of Transport
