Department of Power
Office of the Chief Electrical Engineer

—
Notification

20/4/CEE/TECH/Plg/15-16/143

The Government of Goa is pleased to frame new scheme for utilization of electricity poles for the purpose of stringing cable TV wires, installing advertisement boards, bill boards and other forms of advertisement.

1. *Short title & commencement.*— (a) “Scheme for usage of electricity poles for services other than electrical supply”.

(b) The scheme shall come into force with immediate effect from the date of publication in the Official Gazette.

Scheme for usage of electricity poles for services other than electrical supply

1. *Introduction.*— The Electricity Department, Government of Goa seeks to promulgate guidelines to regulate activities of agencies utilizing electricity poles unauthorizedly for stringing broadband and Cable TV cables as well as installing advertising boards, bill boards and other forms of advertisement.

2. *Objective.*— (1) To ensure additional revenue to the Department.

(2) To curb the misuse of using the electricity poles and also avoid objectionable advertisements.

3. *Rental.*— (i) For cables the minimum charges shall be Rs. 2,000/- for a block of 3 months for up to maximum of first 500 meters or use of 10 electricity poles, whichever has a lower line span and thereafter every meter shall be charged at the rate of Rs. 3/- per meter per quarter.

(ii) For advertisement boards the monthly rental per side of board shall be Rs. 150/- per month. If advertisement board contains

more than two sides, then it shall be charged @ Rs. 100/- per side per face per month.

(iii) The rates could be revised at any point of time and consequent to such revision the revised rates shall apply after the quarter of the year in which such a raise comes into effect. However, to counter the impact of inflation, the rates shall increase by 10% on 1st April of the financial year, unless the Government decides to vary the default rate of change.

(iv) *Discounted rates.*— (a) The rates indicated at (i) and (ii) above, shall carry a discount of 40% including on minimum charges in urban areas of Bicholim/Valpoi/Pernem/Curchorem/Cuncolim/Quepem/Canacona/Sanguem/Sankhali and in rural areas of Panchayats having border with urban areas of Panaji/Mapusa/Margao/Vasco & Ponda.

(b) The rates indicated at (i) and (ii) above shall carry a discount of 70% including on minimum charges other than for coastal areas which shall be covered in (a) above.

(v) An amount of equivalent to 3 months of rental shall be charged as advance at the time of granting permission.

4. *Penal charges.*— (i) Penal charges shall be recoverable for failure of user to remit payment of quarterly rental in advance of the beginning of every quarter and will result in termination of contract and the advance payment, if any, forfeited.

(ii) The penalty shall be equal to the rental amount for the balance period of contract along with interest of 15% on the delayed payment.

(iii) In addition, the advertisement boards/cables shall be removed, at the risk and cost of user and usurped by the Department without any further notice to the user. Only on payment of penalty as at (ii) above, the user shall be entitled to claim back the usurped material.

(iv) The user could also be blacklisted for violations on account of delay in timely payment of rentals.

(v) The Assistant Engineer would also register a FIR against the user in the concerned Police Station in case the cable or advertisement is installed in violation of safety guidelines.

5. *Indemnification and Insurance.*— (i) The cable/advertisement board shall be installed at sole risk of the person/advertising agency/cable TV operator, and the user shall be solely responsible for all consequences arising out of any damage, including to any property or life.

(ii) The Department shall not be liable for any damage to any property or life caused thereof.

(iii) The person/advertising agency/cable TV operator would need to have an insurance policy for third party damages, including damage to Government property, from such usage and for indemnifying the Department and its officials from any consequences flowing out of the usage of electricity poles.

6. *Authority to grant permission.*— The Assistant Engineer of the Sub-Division of Electricity Department in whose jurisdiction electricity pole is situated/located shall be the competent authority to grant permission and collect revenue.

7. *Interpretation of the provisions of this scheme.*— If any question arises regarding interpretation of any expressed or implied clause, word, expression concerning the scheme, the decision shall rest with the Government, and its decision thereon shall be final and binding on all concerned.

8. *Redressal of grievances and dispute.*— Grievances or disputes, if any, arising out of implementation of this scheme, shall be referred to the Chief Electrical Engineer who shall hear and decide such matters and his decision thereon shall be final and binding on all concerned. Appeal against his decision will lie with the Secretary (Power), Government of Goa.

If any difficulty arises in giving effect to any of the provisions of these regulations or there is a dispute regarding interpretation of any provision, the matter may be referred to the Committee, who after consulting the parties effected, where judged necessary, pass necessary orders to resolve the matter. The Committee shall comprise of Secretary (Power), Government of Goa, a representative of Finance Department and a technical person from the Electricity Department, Goa.

9. *Advertisement ethics.*— The advertising boards shall need to comply with advertisement ethics and hence cannot be used to display any objectionable advertisements such as tobacco, psychotropic, narcotic products, containing any vulgarity and which could cause any harm or hatred towards any religion, caste or creed, or create law and order problems.

10. *Amendments & relaxation of the provisions.*— The Government shall be empowered to amend any or all of the clauses or conditions of this scheme to deal with genuine hardship.

11. *Criteria.*— For stringing any type of cable the maximum permissible weight of the supporting wire and or cable taken together should not exceed 200 grams per meter length (broadband cable weight 50 gms. per meter, cable TV main cable 50 gms. per meter and its normal cable 30 gms. per meter), and such hanging/stringing does not exceed 50 meters in length pole to pole. The cable or their supporting wires along with any other equipment shall be strung at a distance of at least 2.5 meters, below the position where electricity supply wire/cables or street light is positioned. The current rating of the cable TV cable/optical fiber cable/broadband cable should be limited maximum up to 5mA. Minimum 12" spacing between the telephone cable and TV cable has to be maintained. For Circular advertising board the maximum diameter shall be 1 meter only and in case of elliptical advertisement board, the length of

major and minor axis shall not exceed 1.5 meter and 1.0 meter respectively. For Triangular or any other shape advertisement boards not mentioned here, the maximum length of each side shall not exceed 1.0 meter.

(i) The weight of these advertisement boards shall not exceed 5 kgs. along with all the accessories required for holding the board on the electricity pole with proper insulation.

(ii) The advertisement boards shall be clamped or attached to the electricity pole through proper insulation and in a manner to be determined while granting the permission. The minimum ground clearance for Advertisement board shall be around 4.0 meters.

The scheme has been approved by the Government of Goa as annexed at Annexure 'A'.

By order and in the name of Governor of Goa.

S. Lekshmanan, Chief Electrical Engineer & ex officio Addl. Secretary (Power).

Panaji, 28th April, 2015.

ANNEXURE - A

Scheme for usage of electricity poles for services other than electrical supply

1. *Background/Preamble.*— A number of agencies are utilizing electricity poles unauthorisedly for stringing broadband and cable TV cables as well as installing advertising boards, bill boards and other forms of advertisement. The Electricity Department, Government of Goa accordingly seek to promulgate guidelines to regulate such type of activities and earn due revenue for the Department.

2. *Short title and commencement.*— (i) This scheme may be called as "Usage of electricity poles for services other than electrical supply".

(ii) It shall come into force with effect from April 2015.

3. *Usage of electricity poles.*— (i) Subject to no-interference with electricity supply or street light illumination, electric poles shall be permitted to be utilized, for the purpose of stringing cables of optical fiber cables/broadband/cable TV network etc. as well as advertisement boards, on payment of due fees fixed for the purpose.

(ii) The cable TV operator, optical fiber operator, broadband operator advertising agency, etc. so using the electricity poles shall be hereafter called as 'user'.

(iii) Such usage by user shall be subject to prior written approval of the Department. The serial number of such approval shall need to be written/ displayed on advertisement board/cable, such that it is visible to naked eye.

(iv) Such usage shall be strictly regulated in terms of guidelines prescribed in this scheme.

4. *Technical specifications.*— (i) The electricity pole shall be utilized for stringing any type of cable provided that the maximum permissible weight of the supporting wire and or cable taken together does not exceed 200 grams per meter length (broadband cable weight 50 gms. per meter, cable TV main cable 50 gms. per meter and its normal cable 30 gms. per meter), and such hanging/stringing does not exceed 50 meters in length pole to pole. The cable or their supporting wires along with any other equipment shall be strung at a distance of at least 2.5 meters, below the position where electricity supply wire/cables or street light is positioned. The current rating of the cable TV cable/optical fiber cable/broadband cable should be limited maximum up to 5mA. Minimum 12" spacing between the telephone cable and TV cable to be maintained:

Provided that the cables being strung from electricity poles shall not cross the public roads or the electricity supply lines. Provided further that where inevitably need to cross any public road or the electricity supply lines, then prior approval of the Executive Engineer of the concerned Division shall be taken in writing. The concerned Executive Engineer shall decide the safe height above the road where the stringing of the cables could be permitted, but the same shall in no case be less than 4.5 meters at the lowest hanging point of the cable. As per the road crossing guidelines, whichever is higher shall be considered.

(ii) The electricity pole could be utilized for one side or both sides advertisement through bill boards/advertising boards. Such advertising/bill boards shall not exceed the maximum dimensions of 1.5 meter x 1.0 meter at any point.

Illustration—

For Circular advertising board the maximum diameter shall be 1 meter only and in case of elliptical advertisement board, the length of major and minor axis shall not exceed 1.5 meter and 1.0 meter respectively. For Triangular or any other shape advertisement boards not mentioned here, the maximum length of each side shall not exceed 1.0 meter.

(iii) The weight of these advertisement boards shall not exceed 5 kgs. along with all the accessories required for holding the board on the electricity pole with proper insulation.

(iv) The advertisement boards shall be clamped or attached to the electricity pole through proper insulation and in a manner to be determined while granting the permission. The minimum ground clearance for advertisement board shall be around 4.0 meters.

5. *Contract period.*— (i) Any person/advertising agency/cable TV operator shall be allowed usage of the electricity poles for a minimum period of 3 months and for a maximum period of 2 years. The same could be extended for a maximum of 1 year at a time for an additional period.

(ii) The Electricity Department reserves the right to terminate the contract period in case of any violation of the guidelines stipulated in the scheme or in case of any technical requirements. In the event the contract is terminated by the Department for any reasons, then the balance amount of charges, paid to the Department shall be refunded on pro-rata basis at an interest rate of 6%.

6. *Rentals.*— (i) For cables the minimum charges shall be Rs. 2,000/- for a block of 3 months for up to maximum of first 500 meters or use of 10 electricity poles, whichever has a lower line span and thereafter every meter shall be charged at the rate of Rs. 3/- per meter per quarter.

(ii) For advertisement boards the monthly rental per side of board shall be Rs. 150/- per month. If advertisement board contains more than two sides, then it shall be charged @ Rs. 100/- per side per face per month.

(iii) The rates could be revised at any point of time and consequent to such revision the revised rates shall apply after the quarter of the year in which such a raise comes into effect. However, to counter the impact of inflation, the rates shall increase by 10% on 1st April of the financial year, unless the Government decides to vary the default rate of change.

(iv) *Discounted rates.*— (a) The rates indicated at (i) and (ii) above, shall carry a discount of 40% including on minimum charges in urban areas of Bicholim/Valpoi/Pernem/Curchorem/Cuncolim/Quepem/Canacona/Sanguem/Sankhali and in rural areas of Panchayats having border with urban areas of Panaji/Mapusa/Margao/Vasco & Ponda.

(b) The rates indicated at (i) and (ii) above shall carry a discount of 70% including on minimum charges other than for coastal areas which shall be covered in (a) above.

(v) An amount of equivalent to 3 months of rental shall be charged as advance at the time of granting permission.

(vi) All Sub-Divisions shall send a quarterly report, in the format as at Appendix I, on the permissions granted, validity of such permissions and rentals realized to the Chief Electrical Engineer, Panaji and the Government of Goa, indicating the revenue earned and arrears if any.

7. *Penal charges.*— (i) Penal charges shall be recoverable for failure of user to remit payment of quarterly rental in advance of the beginning of every quarter and will result in termination of contract and the advance payment, if any, forfeited.

(ii) The penalty shall be equal to the rental amount for the balance period of contract along with interest of 15% on the delayed payment.

(iii) In addition, the advertisement boards/cables shall be removed, at the risk and cost of user and usurped by the Department without any further notice to the user. Only on payment of penalty as at (ii) above, the user shall be entitled to claim back the usurped material.

(iv) The user could also be blacklisted for violations on account of delay in timely payment of rentals.

(v) The Assistant Engineer would also register a FIR against the user in the concerned Police Station in case the cable or advertisement is installed in violation of safety guidelines.

8. *Indemnification and Insurance.*— (i) The cable/advertisement board shall be installed at sole risk of the person/advertising agency/cable TV operator, and the user shall be solely responsible for all consequences arising out of any damage, including to any property or life.

(ii) The Department shall not be liable for any damage to any property or life caused thereof.

(iii) The person/advertising agency/cable TV operator would need to have an insurance policy for third party damages, including damage to Government property, from such usage and for indemnifying the Department and its officials from any consequences flowing out of the usage of electricity poles.

9. *Authority to grant permission.*— The Assistant Engineer of the Sub-Division of Electricity Department in whose jurisdiction electricity pole is situated/located shall be the competent authority to grant permission and collect revenue.

10. *Interpretation of the provisions of this scheme.*— If any question arises regarding interpretation of any expressed or implied clause, word, expression concerning the scheme, the decision shall rest with the Government, and its decision thereon shall be final and binding on all concerned.

11. *Redressal of grievances and dispute.*— Grievances or disputes, if any, arising out of implementation of this scheme, shall be referred to the Chief Electrical Engineer who shall hear and decide such matters and his decision thereon shall be final and binding on all concerned. Appeal against his decision will lie with the Secretary, Power, Government of Goa.

If any difficulty arises in giving effect to any of the provisions of these regulations or there is a dispute regarding interpretation of any provision, the matter may be referred to the Committee, who after consulting the parties effected, where judged necessary, pass necessary orders to resolve the matter. The Committee shall comprise of Secretary (Power), Government of Goa, a representative of Finance Department and a technical person from the Electricity Department, Goa.

12. *Advertisement ethics.*— The advertising boards shall need to comply with advertisement ethics and hence cannot be used to display any objectionable advertisements such as tobacco, psychotropic, narcotic products, containing any vulgarity and which could cause any harm or hatred towards any religion, caste or creed, or create law and order problems.

13. *Amendments & relaxation of the provisions.*— The Government shall be empowered to amend any or all of the clauses or conditions of this scheme to deal with in genuine hardship.

Prashant Goyal, Commissioner and Secretary (Power).

GOVERNMENT OF GOA
ELECTRICITY DEPARTMENT

(Form for use of Electricity Department's infrastructure for miscellaneous activities)

To,
The Executive Engineer (Electrical)/Assistant Engineer,
(Electrical)/Officer-in-charge/Sub-Section,
Electricity Department, Government of Goa,
Division/Sub-Division,
....., Goa.

Sir,

This requisition is for use of your existing electrical infrastructure such as pole/office building/ sub-station building/compound wall/vacant area for the purpose mentioned here below covering area within the jurisdiction of your Division/Sub-Division.

I/We hereby request you, issue us the necessary permission. The jobs shall be carried out as per the guidelines issued by the department strictly adhering to the safety norms and maintaining the permitted clearances as per the IE rules and Electricity Act, 2003. Location specified being within the area under your jurisdiction.

The details are as stated here below:—

(1) Agency's/Applicant's name/Address (In Block Letters):

.....

.....

(2) Agency's/Applicant's Telephone No.: Mobile No.:

(3) email address:

1. Status of the applicant with respect to the premises
(i.e. Owner/Occupier/Authorized Person/Director):

2. Description of the premises/firm:

No./Name

Street Town/Village..... Taluka.....District

Name & present Address of the Owner (if the premises belongs to another person):

.....

.....

(4) Installation of (Advertisement boards/Cable TV network/Communication cable/Wireless Towers) on electricity poles

| Nature of works (Advertisement boards/Cable TV networks/Communication cables) | Unit | Quantity | Voltage level on poles 440v/11KV/33KV | Locations (specify poles Nos.) |
|---|------|----------|---------------------------------------|--------------------------------|
|---|------|----------|---------------------------------------|--------------------------------|

For Advertisement boards specify the size of board, gross weight including clamping provisions and matter involved

For Cable TV networks specify the size of cables, weight per meter including clamping provisions

For Communication cable networks specify the size of cables, weight per meter including clamping provisions

Wireless monopole Tower/ATM machine with dimensions and space requirements

Yours faithfully,

(Applicant's dated signature)

Name of applicant:

Notification

D.Tpt/EST/2232/2015/1422

The following draft rules which are proposed to be made so as to further amend the Goa Motor Vehicles Rules, 1991, are hereby pre-published as required by sub-section (1) of section 212 of the Motor Vehicles Act, 1988 (Central Act 59 of 1988) (hereinafter referred to as the "said Act") for the information of all persons likely to be affected thereby and notice is hereby given that the said draft rules shall be taken into consideration by the Government after the expiry of fifteen days from the date of publication of this Notification in the Official Gazette.

All objections and suggestions to the said draft rules may be forwarded to the Director of Transport, ex officio Additional Secretary to the Government of Goa, Directorate of Transport, Junta House, Panaji, Goa, before the expiry of the said period of fifteen days so that they may be taken into consideration at the time of finalisation of the proposed rules.

DRAFT RULES

In exercise of the powers conferred by sections 26, 28, 38, 65, 95, 96, 107, 111, 138, 159, 176 and 213 of the Motor Vehicles Act, 1988 (Central Act 59 of 1988) and all other

powers enabling it in this behalf, the Government of Goa hereby makes the following rules so as to further amend the Goa Motor Vehicles Rules, 1991, namely:—

1. *Short title and commencement.*— (1) These rules may be called the Goa Motor Vehicles (Amendment) Rules, 2015.

(2) They shall come into force from the date of their publication in the Official Gazette.

2. *Insertion of new rule 20A.*— In the Goa Motor Vehicles Rules, 1991 (hereinafter referred to as the "principal Rules"), after rule 20, the following rule shall be inserted, namely:—

"20A. *Supply of authentication Certificate, status report and/or extract of motor driving licence.*— (1) On the receipt of an application, the licensing authority may, in his discretion, supply copy of Authentication Certificate, status report and/or extract of any motor driving licence from the records maintained by him.

(2) The fee for Authentication Certificate supplied under this rule shall be rupees five hundred.

(3) The fee for status report or extract of motor driving licence supplied under this rule shall be rupees two hundred only.

Amendment of rule 57.— In the principal Rules, for rule 57, the following rule shall be substituted, namely:—

“57. *Supply of copies of particulars of registration.*— (1) On the receipt of an application, the registering authority may, in his discretion, supply the particulars of registration about any motor vehicle as maintained by him.

(2) The fee for particulars of Registration supplied under this rule, shall be rupees two hundred only:

Provided that, the Government may, if it is of the opinion that it is in that public interest so to do by general or special order:—

(a) exempt any Government Department, local authorities, Associations, or bodies of individuals from payment of the fee chargeable under this rule; or

(b) reduce the fee payable by any such Department, local authorities, Association, or bodies of individuals to such extent as may be specified in the order.

By order and in the name of the Governor of Goa.

Arun L. Desai, Director & ex officio Addl. Secretary (Transport).
