#### PART AWARD

(Passed on 28th day of January, 2016)

In exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) (for short the Act) the Government of Goa by order dated 13-10-93 bearing number 28/42/93-LAB has referred the following dispute for adjudication.

“(1) Whether the action of the management of M/s. Dalmia Resorts International Pvt. Ltd., (The Old Anchor) Cavelossim, in dismissing the following workmen with effect from 15-9-92, is legal and justified?

- (1) Shri Cruz Cardozo.
- (2) Shri Cruz Fernandes.
- (3) Shri Domnic Rodrigues.
- (4) Shri Aurelio D'Costa.
- (5) Shri Joaquim Mendes.
- (6) Shri Paul Cruz.
- (7) Shri Joseph Mascarenhas.

If not, to what relief each of the workmen is entitled?”

2. Upon receipt of the dispute reference No. IT/5/94 was registered. Notices were issued to both the parties under registered post, upon which both the parties were served. Party I filed the claim statement at Exb. 3. Party II filed written statement at Exb. 5. Rejoinder was filed by Party I at Exb. 6.

3. It is short the case of Party I/workmen that they were initially the members of union by name “The Old Anchor Dalmia Resorts Employees Union” which union got affiliated to a Federation of Trade Union's i.e Party I union. It is stated that in or about Feb., 1992 Party II suspended two of its employees without any valid reason to which the employees objected and the Federation gave a notice to Party II to withdraw the suspension order failing which they would resort to strike. It is stated that Party II did not withdraw the suspension order and as such employees went on strike from 23-3-92 which lasted for about 18 days and was later withdrawn due to some understandings arrived at between Party II and the employees. It is stated that Party II issued charge sheets to 41

workmen including Party I workmen during the period when the employees had gone on strike however later decided to withdraw suspensions as well as charge sheets issued to all the employees except 14 workmen and decided to continue enquires against the said 14 employees. It is stated that subsequently Party II took back 7 more employees in service by withdrawing the suspension orders and dropping the charge but did not withdraw the suspension orders nor dropped the charge against Party I workmen. It is stated that after completing the enquiry, Party II terminated the services of Party I workmen. It is stated that the charge sheets issued to Party I workmen are totally false and are issued with a view to victimize them for participating in the agitation and the strike called by the union. It is stated that the enquiry conducted against Party I workmen was in violation of principles of nature justice and no sufficient opportunity was given to them to defend themselves in the enquiry. Thus, it is the case of Party I that termination of services of Party I workmen by Party II w.e.f. 15-9-92 is illegal and unjustified and they are entitled to be reinstated in service with full back wages and continuity in service.

4. In the written statement, Party II has raised objections on the maintainability of the reference by stating that there is no Industrial Dispute as defined in Sec. 2 (k) or Sec. 2 (A) of I. D. Act. It is stated that two of the employees were suspended due to assault on the airport representative of Party II and thus they were suspended. It is stated that being aggrieved by the said suspension orders, some of the workers along with others obstructed the managerial, supervisory and administrative staff so also stopped the vehicles of guests and threatened and intimidated them. The striking workers also threw stones at the guests apartments and the Party I workmen were also among the said striking workers. It is stated that Party II issued charge sheets to each of the employees and they were asked to submit their explanation and thereafter enquiry was held against each workmen individually. It is stated that the enquiry was conducted by following the principles of nature justice and the workmen were given full opportunity to defend themselves in the enquiry. That on completion of the enquiry the E.O. submitted his findings holding the workmen guilty of the charges leveled against them. It is stated that pursuant to this Party II dismissed the workmen from service.

5. In the rejoinder Party I has denied the case set up by Party II in the written statement.

6. In the course of further proceedings, Party I workman namely, Shri Joaquim Mendes represented by Shri Subhash Naik settled the matter amicably with Party II by filing the terms at Exb.35, which read as under:

1. It is agreed between the parties that the Management of M/s. Old Anchor Cavelossim Beach Mobor, Salcete, Goa shall pay a sum of Rs. 3,00,000/- (Rupees Three Lakhs only) by Demand Draft No.019776 dated 11-8-2015 drawn on IDBI Bank, which shall include all his claim arising out of the present reference and his employment. The above amount shall include all his claims of unpaid wages, bonus. Leave encashment, gratuity, ex-gratia, etc., if any or any other claim/ /benefit which can be computed in terms of money.
2. It is agreed by the Party I that he shall accept the amount mentioned in the clause (1) in full and final statement of all his claims arising out of the employment, in complete satisfaction of all the claims made in the present reference and further confirm that he shall have no claim of whatsoever nature against the company including any claim of reinstatement or/and re-employment.
3. In the view of the amicable settlement between the parties, it is respectfully prayed that an Award be passed in terms of this settlement and the reference be disposed off accordingly.

7. The above settlement terms are signed by the Party I workman and Shri Joaquim Mendes and his advocate so also by Party II and their advocate.

8. I have gone through the records of the case and the settlement terms filed as above. I am convinced that the above settlement terms are in the interest of Party I workman, Shri Joaquim Mendes and hence the same are accepted. In view of above, I pass the following:
