Ref.No.:D.Tpt/EST/1727(Part file)/2017/2935

Dated: 01/09/2017

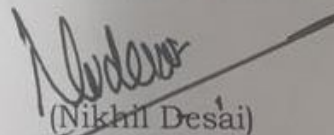

**MEMORANDUM**

The Government has permitted relaxation to the Transport Vehicles registered in this State and which come under the Ambit of fitment of Speed Limiting Devices for a period of six months commencing from 1<sup>st</sup> September 2017 upto end of February 2018, with a view to provide time to the vehicle owners to retrofit the Speed Limiting Devices to their vehicles.

In this connection the Motor Vehicles Inspector attached to the Offices of the Registering Authorities before whom such Transport Vehicles are required to be produced for the purpose of renewal of the Fitness certificate are hereby directed as follows.

“The Motor Vehicles Inspector who inspects and finds a Transport Vehicles to be otherwise mechanically fit but not fitted with the Speed Limiting Device, the Motor Vehicles Inspector shall prepare the inspection report and issue the inspection report to the vehicle owner with a foot note condition that M.V. is passed mechanically, F.C. held up for fitment of Speed Limiting Device same shall be produced on or before the end of the February 2018 for verification and thereafter regular F.C. shall be released.”

The above order is for strict implementation with immediate effect.
